Alcatel one touch pixi avion manual

If you do not know your PIN code or if you have forgotten it, contact your network operator. Do not leave your PIN code with your telephone. Store this information in a safe place when not in use.

Set up your phone for the first time

The first time you power on the phone, you're are prompted to set up your phone in multiple ways: language, input method, mobile data connection, Google account, date and time, system updates, etc. You are required to sign into your Google account to synchronise email, contacts, calendar and other Google applications [1].

- Enter your user name and password, then touch **Sign in**. If you forget your password, you can go to http://www.google.com/ to retrieve it. If you don't own a Google Account, you are prompted to create one by touching **Create**.
- Read the setup information on the screen.
- Mark/Unmark the check box to choose whether you want to take advantage of Google's location services, then touch **Next**.
- Mark/Unmark the check box to choose whether you want to back up data with your Google account, then touch **Next**.
- Touch **Finish setup**.

This initial set up can be skipped and enabled via **Settings**> **Accounts & sync**.

In power on screen without SIM card inserted, you can also connect to a Wi-Fi network (refer to section **6.2.2 Wi-Fi**) to sign into your Google account and to use some features.

For dual SIM model, the first time you insert a new SIM card, you are given the option to change the default SIM settings (refer to section **10.1 SIM management**).

[1] Application availability depends on country and operator.

1.2.3 Power off your phone

Hold down the **Power** key until the phone options appear, select **Power off**.
